Julabo Item #	Description	QTY	Power Supply (Volts/Hertz)

Application Summary:
Success Parameters:
Time Line:

Customer is liable for:

- Freight charges both ways.
- Disposables – oil, tubing, etc.
- Return of instrument, clean and in working condition. A full inspection will be made upon receipt of the instrument; customer is responsible for all charges necessary to return the instrument to its original condition.
- Prior to return customer must contact Julabo for an RGA number. **All return shipments must be insured.** If you do not contact us, we will assume you are purchasing the instrument(s) and an invoice will follow.

I accept the terms and conditions of this agreement
